AUTHORITY: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks PRA authority for the Ready to Work (RTW) Partnership Grants Evaluation 18-Month Follow-up Survey information collection. The DOL is conducting an evaluation of RTW Partnership Grants. The evaluation includes: (1) an implementation study that examines the operation of the programs and participation patterns of program enrollees in key program activities, and (2) an impact study that uses a random assignment research design to determine whether selected grantee programs increased participants' employment, earnings, and other outcomes. This submission seeks OMB approval for the impact evaluation 18-month follow-up survey of study participants. American Competitiveness and Workforce Improvement Act of 1998 section 414(c) authorizes this information collection. See 29 U.S.C. 2916a(7).

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not

required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. For additional information, see the related notice published in the Federal Register on April 25, 2016 (81 FR 24131).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB ICR Reference Number 201605-1291-001. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
